Easter traditions

I nostri studenti hanno scoperto le usanze e tradizioni legate alla Pasqua in Polonia, Croazia e Romania, hanno realizzato video e recitato poesie, scambiandosi auguri nella loro lingua ma anche in lingua francese ed inglese.

The screenshot shows the TwinSpace website interface. At the top, it says "European School Education Platform" and "Twinning". The main content area has a teal background. On the left, there is a photo of hands painting an Easter egg. To the right of the photo, the text reads: "TwinSpace Easter traditions Each partner will create a video with one Easter carol in his mother tongue, Easter e-cards, eventual photos from Easter workshop what will be taken place at school. Everything will be shared in the TwinSpace – by 4th of April at the latest." Below the main content, there is a navigation menu with links: Home, Pages, Materials, Forum, Online meetings, Members, Support. At the bottom, a breadcrumb trail shows: Home > Easter traditions > TwinSpace.
